1. APOLOGIES

2. ALLOTMENT FENCING

Cllr Smith declared a personal interest as an Allotment holder on this site.

The Clerk reported that approximately 80m of 6ft chain link fencing had been stolen from the Centenary Allotment site some time between Monday night (24-10-05) and Tuesday Morning (25-10-05). The fence is not insured. Fences and gates are only insured for vehicle and animal impact. There are four allotment holders on the site renting 6 of the 14 allotments.

At the moment all the posts are still intact and not damaged. The Clerk had had a report Tuesday Afternoon of youths running around in the allotment area with a dog. The Chairman reported that when she had visited the site on Wednesday, there were children riding bikes on the area.

Two prices for the renewal of the fencing had been obtained.
