March 2016

Dear Sir/ Madam

We are writing to inform you of the launch of Kent County Council's Dover Gateway Consultation. The public consultation will provide information on why we are considering the relocation of some KCC Services from the Gateway to the Dover Discovery Centre. We look to seek the views of residents, businesses, communities and other stakeholders on whether they would prefer to retain the existing services at the Gateway or whether the proposed site is seen as a suitable alternative.

The consultation launches on Monday 21<sup>st</sup> March and runs for twelve weeks until the 12<sup>th</sup> June 2016.

Details of this consultation will shortly be available on our website at [www.consultations.kent.gov.uk/consult.ti/dovergateway](http://www.consultations.kent.gov.uk/consult.ti/dovergateway) where the consultation questionnaire can be completed. The consultation document and questionnaire are also available in Easy Read and Word formats on the website (above) or on request by e-mail [alternativeformats@kent.gov.uk](mailto:alternativeformats@kent.gov.uk), or phone 03000 421553 (this number is monitored during office hours and there is an answering machine at other times).

Following the consultation, the County Council will decide whether KCC's commissioned services continue to operate from the Gateway or whether they are relocated to the Dover Discovery Centre. Kent County Council will then notify service users, customers and all other stakeholders of the key decision taken.

Attached you will find a copy of the Consultation Document, questionnaire and promotional postcard. Please feel free to distribute to any interested parties. Should you have any concerns or require further information please contact me on the number or email address provided at the head of this letter.

Yours sincerely
