

Energy Deal was first run in 2013 - it's a partnership between 5 Kent authorities (Dartford, Dover, Gravesham, Tonbridge & Malling and Tunbridge Wells Councils). Since then it has been so popular that it has been run another 9 times with the 10th round open for registration from 4 April 2017. A total of 2962 Dover District residents have previously signed up through the scheme - the sum of saving for residents that switched is an estimated £145,567.82.

Registration is quick and easy, the hardest part is finding the information on your energy bill/statement that you'll need to register, i.e.:-

- the name of your **current energy tariff**
- **annual energy** consumption in kWhs
- the name of your **current supplier**

Internet users can register their interest in the next round via [Dover District Council's website](http://www.dover.gov.uk) or at www.energydealswitch.com.

Residents without access to the internet can call **01304 872428 (until 3.30pm on 22 May 2017)** and leave their contact details. Callers will receive a call back from Dover District Council to complete the registration form.

Residents who've registered for previous rounds of Energy Deal will need to re-register each time they wish to take part.

How does it work?

- Energy providers will compete to offer you the best Energy Deal at a reverse auction on **23 May 2017**.

What happens then?

- You get a personal offer (all tariffs fixed for 1 year) showing whether you can save – offers will be **sent out from 5 June 2017**

You Decide!

- If you want to switch the deadline to accept the offer is **4 July 2017 (you'll be helped through the process)**.

Helping you save on your energy bills

SPRING AUCTION
Launch date 4 April 2017
